

# RADICAL STATISTICS

## **Radstats 2017 Conference & AGM “Statistics of Brexit”**

Edinburgh Central Quaker Meeting House  
Saturday 18<sup>th</sup> February, 2017, 9.30am-5.30pm

### **- Registration now open -**

The conference will discuss:

*How have statistics been used in the arguments for Britain remaining in or leaving the EU?*

*What do statistics of Brexit tell us about social inequalities and social change?*

*What evidence is needed to assess the implications of Brexit proposals?*

#### **Keynote speakers:**

Jane Falkingham (University of Southampton) giving a demographic perspective

Michael Dougan (University of Liverpool) giving a legal perspective

Rob Ford (University of Manchester) giving a political perspective

Brian Cathcart (Kingston University) giving a media perspective

Jan Eichhorn (University of Edinburgh) giving a perspective from the EU outside the UK

#### **Plus, participatory workshops on:**

- Statistics of Brexit, Race Crime & Citizenship (lead by Alan Marshall and Albert Sabater, University of St Andrews)
- Statistics of Brexit & Population Projections (lead by Nik Lomax, University of Leeds)
- Statistics of Brexit & Implications for National Statistics (lead by NRS, tbc)
- Statistics of Brexit & Internal Migration (lead by Glenna Nightingale, David McCollum, Annemarie Ernten, University of St Andrews, and Will Shankley, University of Manchester)
- Statistics of Brexit in Media Coverage (lead by Bozena Wielgoszewska, University of Edinburgh, and Helen Packwood, University of St Andrews)

**Conference registration includes lunch and refreshments.**

Registration £50.00 Student/low-income £30.00

Radstats members receive £10.00 off either category

**The conference will be followed by the Radical Statistics AGM 2017** (6pm, 18<sup>th</sup> Feb, same venue) and by a free walking tour of Edinburgh, on the morning of Sunday 19<sup>th</sup> February.
